

## Proxy votes

WA Super's investments will generally be managed by selected external investment managers, who are appointed by the Trustee to manage WA Super's investments on behalf of WA Super. The management of such investments is in accordance with agreed guidelines, which are in the form of investment product documentation (e.g. a trust deed or information memorandum) or investment mandate agreements. The guiding principle for proxy votes by managers is that they should be cast in a manner that maximises the long-term financial benefit to WA Super's members. This is documented in WA Super's [Share Voting Policy](#). Below are the votes cast on WA Super's behalf in the relevant period where the shares were held in WA Super's name via an Investment Management Agreement.
